(This measure has not been amended since it was reported to the Senate on August 26, 2014. The summary of that version is repeated here.)

New Mexico Navajo Water Settlement Technical Corrections Act - (Sec. 2) Amends the Omnibus Public Land Management Act of 2009 to expand the current authorization for the construction or rehabilitation and operation and maintenance of conjunctive use wells in the San Juan River Basin, Little Colorado River Basin, and Rio Grande Basin in New Mexico to include the planning and design of those wells.

Revises the percentages of funds authorized for the Navajo-Gallup Water Supply Project, conjunctive use wells, and San Juan River Irrigation Projects that may be made available for specified purposes by:

- increasing from 2% to 4% the portion of funds that may be used for the survey, recovery, protection, preservation, and display of archaeological resources in the area of a Project facility or conjunctive use well; and
- decreasing from 4% to 2% the portion of funds that may be used for purchasing land and constructing and maintaining facilities to mitigate the loss of, and improve conditions for the propagation of, fish and wildlife.

Makes technical corrections.
