## Summary (as of May 14, 2013)

---

**(This measure has not been amended since it was introduced. The summary of that version is repeated here.)**

Declares that it is the policy of the United States to preserve and advance the successful multistakeholder model (under which the private sector, civil society, academia, and individual users operate in an environment where information flows free from government control over content or the freedom of expression) that governs the Internet.
