Summary (as of May 23, 2013)

Expresses support for the United States International Boundary Water Commission's (USIBWC's) proposed minute to address trash, sediment, and water quality between the United States and Mexico's respective sections of the International Boundary and Water Commission. Commends USIBWC, the Tijuana River Valley Recovery Team, and local environmental organizations for their leadership in addressing such issues. Reaffirms Congress's commitment to continue its partnerships with Mexico on protecting the transnational watersheds.
