### Summary (as of Oct 11, 2013)

Treats all federal employees, during any lapse in appropriations beginning on or about October 1, 2013, as performing services relating to emergencies involving the safety of human life or the protection of property (employees excepted from furlough). Subjects excepted employees to the rules relating to leave and holidays during a lapse in appropriations that would apply if no lapse had occurred.

Provides for the compensation of federal employees furloughed due to a lapse in appropriations for the period for which they were furloughed at their standard rate and as soon as practicable after such lapse ends.
