Intelligence Authorization Act for Fiscal Year 2014 - **Title I: Intelligence Activities** - (Sec. 101) Authorizes appropriations for FY2014 for the conduct of intelligence and intelligence-related activities of the: (1) Office of the Director of National Intelligence; (2) Central Intelligence Agency (CIA); (3) Department of Defense (DOD); (4) Defense Intelligence Agency (DIA); (5) National Security Agency (NSA); (6) Departments of the Army, Navy, and Air Force; (7) Coast Guard; (8) Departments of State, the Treasury, Energy (DOE), and Justice (DOJ); (9) Federal Bureau of Investigation (FBI); (10) Drug Enforcement Administration (DEA); (11) National Reconnaissance Office; (12) National Geospatial-Intelligence Agency; and (13) Department of Homeland Security (DHS).

(Sec. 102) Specifies that the amounts authorized and the authorized personnel ceilings as of September 30, 2014, for such activities are those specified in the classified Schedule of Authorizations, which shall be made available to the congressional appropriations committees and the President. Prohibits the President from publicly disclosing the classified Schedule of Authorizations or any portion of such Schedule, except: (1) as provided in the Implementing Recommendations of the 9/11 Commission Act of 2007, (2) to the extent necessary to implement the budget, or (3) as otherwise required by law.

(Sec. 103) Allows the Director of National Intelligence, with the approval of the Director of the Office of Management and Budget (OMB), to authorize employment of civilian personnel in excess of the number authorized for FY2014 when necessary for the performance of important intelligence functions. Requires written notification to the congressional intelligence committees on the use of such authority.

(Sec. 104) Authorizes appropriations for the Intelligence Community Management Account for FY2014, as well as for full-time personnel for elements within such Account. Authorizes funds identified for advanced research and development in the classified Schedule of Authorizations to remain available until September 30, 2015.

Title II: Central Intelligence Agency Retirement and Disability System - (Sec. 201) Authorizes appropriations for FY2014 for the Central Intelligence Agency Retirement and Disability Fund.

Title III: General Provisions - (Sec. 301) Permits appropriations authorized by this Act for salary, pay, retirement, and other benefits for federal employees to be increased by such additional or supplemental amounts as necessary for increases in such compensation or benefits authorized by law.

(Sec. 302) Prohibits the authorization of appropriations by this Act from being deemed to constitute authority to conduct any intelligence activity not otherwise authorized by the Constitution or laws of the United States.

(Sec. 303) Amends the National Security Act of 1947 to require the Director of National Intelligence to: (1) ensure that the background of each employee or officer and contractor of the intelligence community is monitored continuously to determine their eligibility for access to classified information; and (2) develop procedures to require sharing of potentially derogatory security information concerning an employee officer, contractor, or employee of a contractor of the intelligence community that may impact the eligibility of such individuals for a security clearance.

(Sec. 304) Requires the Director of National Intelligence and the CIA Director to: (1) ensure that any contractor to an element of the intelligence community with access to classified information develops and operates a security plan that is consistent with standards established by the Director of National Intelligence for intelligence community networks, (2) conduct periodic assessments of each such security plan, and (3) ensure that the insider threat detection capabilities and policies of the intelligence community apply to facilities of contractors with access to a classified network.

(Sec. 305) Repeals provisions of the National Security Act of 1947 requiring a report on the threat of attack using weapons of mass destruction.

Requires the Director of National Intelligence and the CIA Director to notify the congressional intelligence committees each time the Director creates an advisory committee and to include a description of such committee and its subject matter.

(Sec. 306) Amends the National Security Act of 1947 to: (1) exempt from Freedom of Information Act (FOIA) disclosure requirements the identities of employees submitting complaints to the Inspector General of the Intelligence Community, and (2) require the President to establish in writing a plan to respond to the unauthorized public disclosure of an activity within a covert action program.
