Summary (as of Nov 13, 2013)

Border Patrol Pay Reform Act of 2013 - Sets forth additional requirements relating to the rates of pay and terms of employment for U.S. Border Patrol agents (i.e., federal employees who detect and prevent illegal entry and smuggling of aliens, commercial goods, narcotics, weapons, or contraband into the United States).

Requires Border Patrol agents to elect each year to: (1) be assigned to either a specified level one or level two border patrol rate of pay governing regular rates of pay and overtime work requirements, or (2) decline both levels. Expresses the sense of Congress that U.S. Customs and Border Protection (CBP) should ensure that not more than 10% of agents stationed at a location decline to be assigned to either the level 1 or level 2 border patrol rate of pay. Empowers CBP, without limitation, to require agents to perform overtime work in accordance with agency needs, including if needed in the event of a local or national emergency.
