Summary (as of Jul 14, 2014)

(This measure has not been amended since it was introduced. The summary of that version is repeated here.)

Federal Register Modernization Act - Requires the Federal Register to be published (e.g., by electronic means), rather than printed, and that documents in the Federal Register be made available for sale or distribution to the public in published form. Revises requirements for the filing of documents with the Office of the Federal Register for inclusion in the Federal Register and for the publication of the Code of Federal Regulations to reflect the publication requirement.
