Summary (as of Jun 10, 2014)

Widening Internet Readiness for Employment Development Act or WIRED Act - Amends the Workforce Investment Act of 1998 to revise one-stop delivery system requirements.

Requires the Secretary of Labor to establish certain standards and best practices for the provision of employment and training services for adults and dislocated workers on Internet websites maintained by one-stop delivery systems.

Requires the one-stop delivery system, at a minimum, to make those services accessible through an Internet website that: (1) is unique to the particular one-stop system, and (2) meets and incorporates those standards and best practices.
