Expresses the sense of the House of Representatives that since Hamas and Fatah have unified, regardless of the unity government being made up of Hamas and Fatah technocrats, the Secretary of State should, if the unity government is not dissolved, designate the PA and such unity government as a foreign terrorist organization and redesignate the Palestinian Liberation Organization (PLO) as a foreign terrorist organization.

Expresses the sense of the House of Representatives that it is in the national security interests of the United States and its partners that the following objectives and conditions be achieved:

- the PA dissolving the unity government with Hamas, a long-designated foreign terrorist organization, and for the PA to renounce violence, outlaw terrorist groups, and re-enter into bilateral negotiations with Israel;
- the PA formally and publicly recognizing the Jewish state of Israel's right to exist, accepting previous Israeli-Palestinian agreements, and ending all anti-U.S and anti-Israel incitement;
- repealing the Law of the Prisoner and abolishing the Ministry of Prisoners and programs relating to compensation and recognition of convicted terrorists;
- rescinding the names and the naming of public institutions and civil projects after convicted terrorist and murders;
- ending all efforts to circumvent the statehood process at the United Nations (U.N.), including applications and memberships to international institutions outside direct negotiations with Israel;
- enacting reforms to advance religious freedom and recognition for all religions and ethnicities, ensuring the freedoms of speech, the press, and political assembly, and reforming the political process through elections without any influence or participation by Hamas; and
