- "Energy Programs--Non-defense Environmental Cleanup,"
- "Energy Programs--Uranium Enrichment Decontamination and Decommissioning Fund,"
- "Atomic Energy Defense Activities--National Nuclear Security Administration," and
- "Atomic Energy Defense Activities--Environmental and Other Defense Activities--Defense Environmental Cleanup."

Requires the rate of operations to be calculated to reflect the full amount of any reduction required in FY2013 pursuant to: (1) the Consolidated and Further Continuing Appropriations Act, 2013 (P.L. 113-6), and (2) the presidential sequestration order dated March 1, 2013, except as attributable to budget authority made available by the Disaster Relief Appropriations Act, 2013 (P.L. 113-2).

Makes appropriations and funds made available and authority granted under this joint resolution available until whichever of the following first occurs: (1) enactment into law of an appropriation for any project or activity provided for in this joint resolution, (2) enactment into law of the applicable appropriations Act for FY2014 without any provision for such project or activity, or (3) December 15, 2013.

Requires implementation of this joint resolution so that only the most limited funding action be taken in order to provide for continuation of projects and activities.

Authorizes amounts made available for civilian personnel compensation and benefits to be apportioned up to the rate for operations necessary to avoid furloughs, consistent with the applicable appropriations Act for FY2013, except that such authority shall not be used until after the agency has taken all necessary actions to reduce or defer non-personnel-related administrative expenses.
