Summary (as of May 6, 2015)

This bill requires the Department of the Interior, upon state request, to establish a program under which the Director of the Bureau of Land Management (BLM) shall enter into a memorandum of understanding with a state to create consistent rules and processes for measurement of oil and gas production activities, inspection of meters or other measurement methodologies, and other operational activities.

To be eligible for this program, a state must administer oil and gas programs sufficient to fulfill BLM oversight and enforcement responsibilities.
