Summary (as of Mar 27, 2015)

(This measure has not been amended since it was introduced. The summary of that version is repeated here.)

Designates May 4, 2015, as National Food Protein-Induced Enterocolitis Syndrome (FPIES) Awareness Day. (FPIES is a form of food allergy that primarily affects the gastrointestinal system and adversely impacts the lives of young children.)

Expresses support for people living with FPIES and gratitude to caregivers who provide assistance to those affected.
