### Summary (as of May 14, 2015)

#### E-Prize Competition Pilot Program Act of 2015

This bill directs the Department of Energy to establish for a limited time: (1) a prize competition for the development and demonstration of technology that reduces by at least 25% the cost of electricity or space heat in high-cost regions; and (2) a Competition Board to award a maximum of 4 prizes of not more than \$1 million each.

Funds for the awards shall be available from the Energy Technology Commercialization Fund.

The Competition Board must use prescribed criteria to evaluate competing technologies.
