## **Intelligence Authorization Act for Fiscal Year 2016**

Authorizes FY2016 appropriations for the conduct of intelligence and intelligence-related activities of: (1) the Office of the Director of National Intelligence (DNI); (2) the Central Intelligence Agency (CIA); (3) the Department of Defense (DOD); (4) the Defense Intelligence Agency; (5) the National Security Agency; (6) the Departments of the Army, the Navy, and the Air Force; (7) the Coast Guard; (8) the Departments of State, the Treasury, Energy (DOE), and Justice; (9) the Federal Bureau of Investigation; (10) the Drug Enforcement Administration; (11) the National Reconnaissance Office; (12) the National Geospatial-Intelligence Agency; and (13) the Department of Homeland Security.

Allows the DNI, if it provides prior notification to Congress, to authorize employment of civilian personnel in excess of the number authorized for FY2016 when necessary for the performance of important intelligence functions.

Authorizes FY2016 appropriations for: (1) the Intelligence Community Management Account, and (2) the Central Intelligence Agency Retirement and Disability Fund.

Requires the DNI to establish a policy for elements of the intelligence community to provide quarterly notifications to Congress regarding each appointment of an individual to, or each separation, from a senior level position.

Requires the National Counterintelligence Executive to be appointed by the President with the advice and consent of the Senate.

Includes the Inspector General of the Intelligence Community within the Council of the Inspectors General on Integrity and Efficiency.

Authorizes inspectors general of the CIA and the intelligence community to request information or assistance from state or local governmental agencies.

Requires the DNI to assign the Chief of the Analytic Integrity and Standards Group, in consultation with the CIA's Senior Analytic Service, to review finished CIA-produced intelligence products to assess whether the CIA's reorganization has resulted in any loss of analytic objectivity.

Directs the DNI to notify Congress if the intelligence community receives intelligence that the Russian Federation has: (1) deployed, or is about to deploy, the Club-K container missile system through the Russian military; or (2) transferred or sold, or intends to transfer or sell, such system to another state or nonstate actor.

Requires the DNI to submit to Congress: (1) an intelligence community assessment on the funding of political parties and nongovernmental organizations in former Soviet states and countries in Europe by the Russian Federation and its security and intelligence services since January 1, 2006; and (2) an assessment on the use of political assassinations as a form of statecraft by the Russian Federation since January 1, 2000.

Directs the DNI to submit to Congress an assessment on the resources utilized for intelligence collection efforts with regard to the South and East China Seas.

Requires the State Department to: (1) ensure that supervisory positions at U.S. diplomatic facilities in Cuba are occupied by U.S. citizens who have passed a thorough background check, and (2) submit to Congress a plan for reducing the reliance on locally employed staff in such U.S. diplomatic facilities in Cuba.

Requires the DNI to submit reports to Congress regarding: (1) the monetary value of any direct or indirect forms of sanctions relief that Iran has received since the Joint Plan of Action first entered into effect; (2) Iran's use of such funds, including to support international terrorism and the al-Assad regime in Syria, advance nuclear weapons or ballistic missile efforts, or commit any violation of the human rights of the people of Iran; and (3) the extent to which senior Iranian officials have diverted sanctions relief funds into their personal accounts.

Bars a provision of an intelligence contract that prohibits the disclosure of information from being construed to prohibit an element of the intelligence community from providing information to the congressional intelligence committees.

Requires the DNI to provide notice to Congress within 15 days after learning that an electronic communication service provider that generates call detail records in the ordinary course of business has changed its retention policy to a period of less than 18 months.

Requires anyone engaged in providing an electronic communication or a remote computing service to the public who obtains actual knowledge of any terrorist activity to provide the relevant facts and circumstances to authorities designated by the Attorney General.

Directs the DNI to collaborate with DOD and the Joint Chiefs of Staff to develop a strategy for a comprehensive interagency review of policies for planning and acquiring national security satellite systems and architectures consistent with the National Space Policy issued on June 28, 2010.

Includes the DNI among the agencies that must be consulted when DOE considers whether to authorize a person to develop or produce special nuclear material outside the United States.

Requires the DNI to: (1) implement a plan to eliminate the backlog of overdue periodic reinvestigations of individuals eligible to access classified information or hold a sensitive position; and (2) direct specified executive agencies, military departments, and elements of the intelligence community to implement enhanced personnel security programs.
