### Mental Health First Aid Act of 2016

This bill amends the Public Health Service Act to revise and extend through FY2021 training grants for mental health awareness. The bill makes additional categories of individuals eligible to be trained to identify and respond to individuals with a mental illness. Programs funded by these grants must provide education on: (1) recognizing the signs and symptoms of mental illness, and (2) either the availability of relevant resources or safe de-escalation of crisis situations involving individuals with a mental illness.
