## **Safe and Affordable Drugs from Canada Act of 2015**

Amends the Federal Food, Drug, and Cosmetic Act (FFDCA) to require the Department of Health and Human Services (HHS) to promulgate regulations within 180 days permitting individuals to import a prescription drug purchased from an approved Canadian pharmacy that:

- is dispensed by a pharmacist licensed in Canada;
- is purchased for personal use in quantities not greater than a 90-day supply;
- is filled using a valid prescription issued by a physician licensed to practice in the United States; and
- has the same active ingredient or ingredients, route of administration, dosage form, and strength as a prescription drug approved under the FFDCA.

Sets forth exceptions, including for controlled substances and biological products.

Establishes a certification process for approving Canadian pharmacies. Requires HHS to publish a list of approved Canadian pharmacies.
