This bill amends the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 to extend through 2021 the rural add-on, which is a payment increase for Medicare home health services furnished to patients in rural areas.

The bill also amends title XVIII (Medicare) of the Social Security Act to lower, for FY2018-FY2022, the annual ceiling on the home health outlier adjustment, which is a payment increase for home health services furnished to the costliest Medicare beneficiaries, from 2.5% to 2.25% of the total Medicare payments projected to be made under the prospective payment system for home health services.
