Credit for Caring Act of 2016

This bill amends the Internal Revenue Code to allow an eligible caregiver a new tax credit for 30% of the cost of long-term care expenses that exceed \$2,000, up to \$3,000 in a taxable year. The bill defines "eligible caregiver" as an individual who pays or incurs expenses for providing care to a spouse or other dependent relative with long-term care needs and who has earned income for the taxable year in excess of \$7,500.
