## **American Job Protection Act**

Repeals provisions of the Internal Revenue Code, as added by the Patient Protection and Affordable Care Act, that: (1) impose fines on large employers (employers with 50 or more full-time employees) who fail to offer their full-time employees the opportunity to enroll in minimum essential health insurance coverage, and (2) require large employers to file a report with the Department of the Treasury on health insurance coverage provided to their full-time employees. Applies the Internal Revenue Code as if those provisions had never been enacted.
