### Summary (as of Jul 29, 2015)

This bill amends the Energy Independence and Security Act of 2007 to require the Environmental Protection Agency (EPA) to establish a Residence Star program within the Energy Star program to recognize owners of separate residential spaces who voluntarily achieve high levels of energy efficiency. Owners recognized under the program and certain other third parties may advertise: (1) estimates of the monetary and energy savings included in the most recent program audit for their spaces, and (2) the Residence Star brand.
