## Summary (as of Jul 14, 2016)

(This measure has not been amended since it was introduced. The summary of that version is repeated here.)

Congratulates the Farm Credit System (FCS) on its 100th anniversary and commends the service of the cooperative owners and employees of the FCS in helping to meet the credit and financial services needs of rural communities and agriculture.

(The FCS is a network of borrower-owned lending institutions that operates as a government-sponsored enterprise to provide credit and other services to agricultural producers and farmer-owned agricultural and aquatic cooperatives. It also makes loans for agricultural processing and marketing activities, rural housing, farm-related businesses, rural utilities, and companies involved in international agricultural trade.)
