Surface Transportation Extension Act of 2015, Part II

(Sec. 1) This bill directs the Department of Transportation (DOT) to reduce the amount apportioned for a surface transportation program, project, or activity for FY2016 by amounts apportioned or allocated pursuant to the Surface Transportation Extension Act of 2015 for the period from October 1, 2015, through November 20, 2015.

TITLE I--SURFACE TRANSPORTATION PROGRAM EXTENSION

Subtitle A--Federal-Aid Highways

(Sec. 1001) The Highway and Transportation Funding Act of 2014 is amended to continue from October 1, 2015, through December 4, 2015, and appropriations are authorized through that period for, specified federal-aid highway programs under:

- the Moving Ahead for Progress in the 21st Century Act (MAP-21),
- the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) Technical Corrections Act of 2008,
- SAFETEA-LU,
- the Transportation Equity Act for the 21st Century (TEA-21),
- the National Highway System Designation Act of 1995,
- the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA), and
- other specified law.

Funding for such programs shall be subject generally to the same manner of distribution, administration, limitation, and availability for obligation, but at a specified pro rata of the total amount, as funds authorized for appropriation out of the Highway Trust Fund (HTF) for such programs and activities for FY2014.

MAP-21 is amended to authorize appropriations out of the general fund of the Treasury for the Tribal High Priority Projects program for the same period.

The obligation ceiling for federal-aid highway and highway safety construction programs shall be \$7,134,218,915 for the same period.

(Sec. 1002) Appropriations are authorized from the HTF (other than the Mass Transit Account) for administrative expenses of the federal-aid highway program for the same period.

Subtitle B--Extension of Highway Safety Programs

(Sec. 1101) Authorization of appropriations shall be extended for the same period for National Highway Traffic Safety Administration (NHTSA) safety programs, including:

- highway safety research and development,
- national priority safety programs,

- the National Driver Register,
- the High Visibility Enforcement Program, and
- NHTSA administrative expenses.

SAFETEA-LU is amended to extend for the same period high-visibility traffic safety law enforcement campaigns under the High Visibility Enforcement Program.

There shall be set aside a specified amount of the total apportionment to states for highway safety programs for a cooperative program to research and evaluate priority highway safety countermeasures for the same period.

(Sec. 1102) Authorization of appropriations shall be extended for the same period for Federal Motor Carrier Safety Administration (FMCSA) programs, including:

- motor carrier safety grants,
- FMCSA administrative expenses,
- commercial driver's license program improvement grants,
- border enforcement grants,
- performance and registration information system management grants,
- commercial vehicle information systems and networks deployment grants,
- safety data improvement grants,
- a set-aside for high priority activities that improve commercial motor vehicle safety and compliance with commercial motor vehicle safety regulations,
- a set-aside for new entrant motor carrier audit grants,
- FMCSA outreach and education, and
- the commercial motor vehicle operators grant program.

(Sec. 1103) The Dingell-Johnson Sport Fish Restoration Act is amended to continue, for the same period, the authorized distribution of funds for coastal wetlands, recreational boating safety, projects under the Clean Vessel Act of 19921, boating infrastructure projects, and the National Outreach and Communications Program.

Subtitle C--Public Transportation Programs

(Sec. 1201) The apportionment of nonurbanized (rural) area formula grants shall be extended for the same period for competitive grants and formula grants for public transportation on Indian reservations.

(Sec. 1202) The apportionment of urbanized area formula grants shall be extended for the same period for passenger ferry projects.

(Sec. 1203) Authorization of appropriations shall be extended for the same period from the HTF Mass Transit Account for:

- formula grants for public transportation, including allocations for specified projects;
- research, development demonstration, and deployment projects;
- the transit cooperative research program;
- technical assistance and standards development grants;
- human resources and training grants;
- capital investment grants; and

administrative expenses.

(Sec. 1204) Allocations of certain amounts shall be made for the same period to states and territories for formula bus and bus facilities grants.

Subtitle D--Hazardous Materials

(Sec. 1301) Authorization of appropriations shall be made for the same period for hazardous materials (hazmat) transportation safety projects.

DOT is authorized to make certain expenditures, including an amount for hazmat training grants, from the Hazardous Materials Emergency Preparedness Fund for the same period.

TITLE II--REVENUE PROVISIONS

(Sec. 2001) The Internal Revenue Code is amended to extend through December 4, 2015, the authority for expenditures from: (1) the HTF Highway and Mass Transit Accounts, (2) the Sport Fish Restoration and Boating Trust Fund, and (3) the Leaking Underground Storage Tank Trust Fund.
