## **Housing Opportunities for Persons With AIDS Modernization Act of 2016**

This bill amends the AIDS Housing Opportunity Act to revise the formula and requirements for distributing funds under the Housing Opportunities for Persons With Aids (HOPWA) Program.

A grantee that received an allocation in FY2016 shall continue to be eligible for such allocations in subsequent fiscal years, subject to approval by the Department of Housing and Urban Development (HUD) and the amounts available from appropriations Acts.

HUD shall:

- redetermine a grantee's eligibility at least once every 10 years, and
- ensure that a grantee that received an allocation in the prior fiscal year does not receive an allocation 5% less than or 10% greater than the share of total available formula funds allocated to that grantee in the preceding fiscal year.

HUD may also award such funds to an alternative grantee if the original grantee agrees in a written document meeting HUD approval.

References to "cases of AIDS" and "AIDS cases" shall be replaced by "individuals living with HIV or AIDS," which means, with respect to the counting of cases in a geographic area during a period of time, the sum of:

- the number of living non-AIDS cases of HIV in the area, and
- the number of living cases of AIDS in the area.
