## **State Outreach for Local Veterans Employment Act of 2016**

This bill prohibits the Department of Labor from rejecting a disabled veterans training and employment outreach plan submitted by a state based solely on which agency the state selected to carry out the plan.

Labor shall encourage each state to: (1) collocate its disabled veterans outreach program specialists and local veterans employment representatives with one or more one-stop centers, and (2) tailor its plan to meet the employment and training needs of in-state veterans.

If a plan addresses a significant employment barrier, a state may propose such barriers as appropriate in order to allow additional categories of veterans to receive outreach and local veterans employment representative services.

Labor shall, if it objects to only a portion of a state's plan: (1) approve those portions of the plan that it does not object to, (2) submit to the state an explanation of which portions were not approved and why, and (3) allow the state to submit revisions to such portions for approval.
