### Summary (as of Jul 8, 2016)

#### Coding Technology Improvements Act

This bill amends title VII (Graduate and Postsecondary Improvement Programs) of the Higher Education Act of 1965 to modify provisions related to grants under the Fund for the Improvement of Postsecondary Education (FIPSE) program.

Specifically, this bill expands the areas of national need for FIPSE program special project grants to include support for innovative technology partnerships between institutions of higher education and nontraditional providers that offer education programs on coding, high-technology software, or computer science.
