Scoring Calculations for Our Residential Energy Act of 2016 or the SCORE Act of 2016

This bill requires the Department of Energy to maintain a Home Energy Score Program that provides for: (1) home energy scores to homeowners and borrowers to enable cost-effective reduction in energy use in homes, and (2) home assessments that collect energy use information for energy scores. The energy scores must include cost-effective recommendations for improving the score and energy efficiency of homes.
