## Support Our Start-Ups Act

This bill amends the Internal Revenue Code to extend the tax deduction for new business expenditures to organizational expenditures, generally defined as expenditures incident to the creation of a corporation or a partnership.

The bill also increases the maximum deduction amount for start-up and organizational expenditures from \$5,000 to \$20,000 and increases from \$50,000 to \$120,000 the threshold amount after which the maximum deduction amount for such expenditures is reduced.
