### Related Bills

Bill	Relationship	Last Action
115 SJRES 52	Identical bill	May 16, 2018: Held at the desk.
115 HJRES 129	Identical bill	Mar 2, 2018: Referred to the Subcommittee on Communications and Technology.

### Summary (as of Mar 29, 2018)

This joint resolution nullifies the rule submitted by the Federal Communications Commission entitled "Restoring Internet Freedom." The rule published on February 22, 2018: (1) restores the classification of broadband Internet access service as a lightly-regulated "information service"; (2) reinstates private mobile service classification of mobile broadband Internet access service; (3) requires Internet service providers to disclose information about their network management practices, performance characteristics, and commercial terms of service; and (4) eliminates the Internet Conduct Standard and the bright-line rules.
