### Summary (as of Mar 20, 2017)

#### Save Social Security Act of 2017

This bill amends the Internal Revenue Code and title II (Old Age, Survivors and Disability Insurance) of the Social Security Act to: (1) apply Social Security payroll taxes to annual income above \$300,000; (2) include earnings above \$300,000 in the benefit formula; and (3) increase to \$100,000 the income threshold above which Social Security benefits are included in gross income.

(Under current law, Social Security payroll taxes apply to the first \$127,200 of income in 2017 and benefits are included in the gross income of individuals with certain income that exceeds thresholds of \$0, \$25,000, or \$32,000, depending on the individual's filing status.)
