### Summary (as of Mar 23, 2017)

#### Israel Anti-Boycott Act

This bill declares that Congress: (1) opposes the United Nations Human Rights Council resolution of March 24, 2016, which urges countries to pressure companies to divest from, or break contracts with, Israel; and (2) encourages full implementation of the United States-Israel Strategic Partnership Act of 2014 through enhanced, governmentwide, coordinated U.S.-Israel scientific and technological cooperation in civilian areas.

The bill amends the Export Administration Act of 1979 to declare that it shall be U.S. policy to oppose:

- requests by foreign countries to impose restrictive practices or boycotts against other countries friendly to the United States or against U.S. persons; and
- restrictive trade practices or boycotts fostered or imposed by an international governmental organization, or requests to impose such practices or boycotts, against Israel.

The bill prohibits any U.S. person engaged in interstate or foreign commerce from supporting:

- any request by a foreign country to impose any boycott against a country that is friendly to the United States and that is not itself the object of any form of boycott pursuant to United States law or regulation, or
- any boycott fostered or imposed by any international governmental organization against Israel or any request by any international governmental organization to impose such a boycott.

The bill amends the Export-Import Bank Act of 1945 to include as a reason for the Export-Import Bank to deny credit applications for the export of goods and services between the United States and foreign countries, opposition to policies and actions that are politically motivated and are intended to penalize or otherwise limit commercial relations specifically with citizens or residents of Israel, entities organized under the laws of Israel, or the government of Israel.
