### Related Bills

Bill	Relationship	Last Action
115 HR 511	Identical bill	<b>Jan 24, 2017:</b> Received in the Senate and Read twice and referred to the Committee on Energy and Natural Resources.

(This measure has not been amended since it was introduced. The summary of that version is repeated here.)

### **Power And Security Systems (PASS) Act**

This bill amends the Energy Policy and Conservation Act to require the Department of Energy to issue a rule by July 1, 2021, that determines whether energy conservation standards for external power supplies should be amended. The rule must contain any amended standards and apply to products manufactured on or after July 1, 2023.

Current law exempts external power supplies for security or life safety systems (e.g., smoke alarms) from energy conservation standards until July 1, 2017. This bill extends the exemption until July 1, 2023.
