Seniors Tax Hike Prevention Act of 2017

This bill amends the Internal Revenue Code (IRC) to extend, through 2019, the rule that permits individuals who are 65 and older to deduct certain medical expenses that exceed 7.5% of adjusted gross income. (A provision that reduced the 10% threshold for the medical expense deduction to 7.5% if a taxpayer or a taxpayer's spouse is 65 or older expired at the end of 2016.)

The bill also expresses the sense of the Senate that the reduction in revenues resulting from this bill should be offset by an appropriate amendment to the IRC.
