## **State National Forest Management Act of 2017**

This bill directs the Department of Agriculture, through the Forest Service, to convey to a state up to 2 million acres of eligible portions of the National Forest System (NFS) in it that it elects to acquire through enactment by the state legislature of a bill meeting certain criteria.

Portions of the NFS conveyed to a state shall be administered and managed primarily for timber production.

The bill sets forth conditions that must be met before a change may be made to a land management plan that will alter the management of young-growth stands covered by that plan.
