### Summary (as of May 8, 2017)

This bill allows an individual who is not a federal employee to enroll in the Federal Employee Health Benefits Program, unless the individual: (1) is enrolled, or eligible to enroll, in a different public health insurance program; (2) is a member of the uniformed services; or (3) is not a citizen or national of, or lawfully present in, the United States.

An employer may make a contribution on behalf of such an individual, but no government contribution may be provided.
