Quality Care for Moms and Babies Act

This bill directs the Centers for Medicare & Medicaid Services (CMS) to:

- identify and publish a recommended core set of maternal and infant quality measures for women and children, as specified by the bill;
- publish an initial core set of any such measures applicable to mothers and infants eligible under Medicaid or the Children's Health Insurance Program (CHIP);
- establish a Maternal and Infant Quality Measurement Program; and
- establish an online clearinghouse of resources for entities working to improve maternity and infant care quality.

The CMS may make grants to eligible entities for:

- the development of new state and regional maternity and infant care quality collaboratives;
- expanded activities of existing collaboratives; and
- maternity and infant care initiatives within established state and regional quality collaboratives that are not focused exclusively on maternity care.
