### Summary (as of Jan 6, 2017)

#### Protecting American Families' Retirement Advice Act

This bill delays for two years the effective date of the Department of Labor rule published on April 8, 2016, relating to the definition of the term "fiduciary" and the conflict of interest rule with respect to retirement investment advice.

(The rule defines who is a fiduciary with respect to pension and retirement plans. Under current law, a person who provides investment advice has a fiduciary obligation that requires the person to provide advice in the sole interest of plan participants and beneficiaries. The rule changes the definition of "investment advice" to treat people who provide investment advice to pension and retirement plans for a fee or other compensation as fiduciaries in a wider array of advice relationships.)
