## Protection From Obamacare Mandates and Congressional Equity Act

This bill withholds the salaries of Members of a house of Congress that has not agreed to a budget resolution for FY2018 by April 15, 2017, as required by the Congressional Budget Act of 1974.

Salaries are withheld from April 16, 2017, until the house of Congress agrees to a budget resolution or the last day of the 115th Congress, whichever is earlier.

The Inspector General of the Office of Personnel Management (OPM), by three days after the President's budget is due, shall: (1) make an annual determination of whether the Office of Management and Budget (OMB) and the President are in compliance with statutory requirements for the President's annual budget submission to Congress, and (2) provide a written notification of such determination to specified congressional committees.

No funds may be appropriated or otherwise be made available from the Treasury for the pay of the Director, Deputy Director, and Deputy Director for Management of the OMB during any period of noncompliance determined by the OPM Inspector General. Such officials may not receive pay for any period of noncompliance at any time after the end of that period.
