Creating An Online Platform For Instant 1099 Submissions Act

This bill directs the Internal Revenue Service (IRS) to provide taxpayers with online access to IRS resources and guidance that will allow them to: (1) prepare and file Forms 1099, (2) prepare Forms 1099 for distribution to recipients other than the IRS, and (3) create and maintain necessary taxpayer records.

The IRS must ensure that the online services required by this bill: (1) are a supplement to, and not a replacement for, other services provided to taxpayers by the IRS; and (2) comply with security standards developed by the National Institute of Standards and Technology.
