### Summary (as of Jan 13, 2017)

#### Solar Villages Initiative Act

This bill authorizes the President, through the U.S. Agency for International Development, to provide assistance for renewable energy projects in developing countries to increase the availability of credit, savings, and other services to microfinance and microenterprise clients lacking full access to capital, training, technical assistance, and business development services.

In providing such assistance, the President shall give priority to empowering female-owned businesses.

### Actions Timeline

• **Jan 13, 2017:** Introduced in House

• **Jan 13, 2017:** Referred to the House Committee on Foreign Affairs.
