## Summary (as of May 10, 2019)

This bill nullifies a rule by the Department of Treasury, the Department of Labor, and the Department of Health and Human Services regarding short-term, limited-duration health insurance plans.

Short-term, limited-duration health insurance plans are plans that may only offer coverage for a limited amount of time under law and that are exempt from the market requirements of the Patient Protection and Affordable Care Act (e.g., coverage of individuals with preexisting conditions). The rule increases the maximum authorized duration of such plans from less than 3 months (including renewals) to an initial maximum duration of less than 12 months (with a total duration of up to 36 months, including renewals). The rule took effect October 2, 2018.
