Summary (as of Jun 22, 2020)

This resolution expresses that

- any jurisdiction that seeks to dismantle or reduce funding for a police force should review its local rules to ensure such rules do not place an undue burden on residents who seek to defend themselves, including through the legal purchase of a firearm and training services;
- such a review should be based on standards set forth by the Supreme Court that confirmed the Second Amendment to the Constitution to be an individual right and that no law can prohibit an individual from possessing and using a firearm in the home for self-defense; and
- any jurisdiction that seeks to dismantle or reduce funding for police agencies must remove rules that hinder individual gun ownership or access to firearms.
