## Summary (as of Nov 30, 2020)

---

This resolution recognizes the 20th anniversary of the International Space Station (ISS).

The resolution commends the National Aeronautics and Space Administration (NASA) for its achievements as part of the ISS program and the Americans who have given to it so much of their skill, effort, and passion.

Finally, the resolution recognizes the importance of the ISS for scientific discovery, human exploration, and international cooperation.
