### Summary (as of Mar 12, 2019)

#### Ballot Fairness Act

This bill requires states to impose the same requirements for appearing on the ballot in a general congressional election on all candidates, without regard to whether a candidate is the nominee of a political party.

In such elections, states must use a ballot that requires a specific vote for a candidate and that does not permit the casting of a single vote for all candidates of the same political party.

### Actions Timeline

- **Mar 12, 2019:** Introduced in House
- **Mar 12, 2019:** Referred to the House Committee on House Administration.
