### Summary (as of Oct 4, 2019)

This bill allows—for one year—a state to transfer amounts from its clean water state revolving fund to its drinking water state revolving fund in order to address a threat to public health as a result of heightened exposure to lead in drinking water. Specifically, a state may transfer no more than 5% of the cumulative amount of the federal grant dollars awarded for its clean water state revolving fund to its drinking water state revolving fund.
