Electric Transportation Commission and National Strategy Act

This bill requires the Department of Transportation and the Department of Energy to jointly establish a working group to make recommendations on the development, adoption, and integration of electric vehicles into U.S. transportation and energy systems. In addition, the working group must develop, publish, and update a resource guide that provides information about electric vehicles and their charging infrastructure.

Actions Timeline

- **Jun 27, 2019:** Introduced in Senate
- **Jun 27, 2019:** Read twice and referred to the Committee on Commerce, Science, and Transportation.
