## **American Cars, American Jobs Act of 2019**

This bill establishes in the National Highway Traffic Safety Administration the American Cars, American Jobs Program. Under the program, the Department of Transportation must issue vouchers of \$3,500 to offset the purchase or lease price of a new automobile made in the United States if at least 45% of the automobile's parts come from the United States or Canada and assembly of the automobile occurs in the United States. The amount of the voucher for new qualified plug-in electric drive motor vehicles is \$4,500.

The bill amends the Internal Revenue Code to disallow a tax deduction for the global low-tax income of certain foreign subsidiaries of U.S. automakers whose profits exceed a specified percentage of their value.
