## **Prevent Blood Loss with Emergency Equipment Devices Act of 2019 or the Prevent BLEEDing Act of 2019**

This bill authorizes the use of Department of Homeland Security (DHS) grant funds for certain anti-blood loss purposes.

Specifically, a grant under the Urban Area Security Initiative or the State Homeland Security Grant Program may be used

- to purchase or distribute anti-blood loss supplies (tourniquets, gauze, dressings, or other appropriate materials) for use in medical emergencies in places where people gather;
- to provide training on the proper use of anti-blood loss supplies to enhance public safety; or
- to make grants to an eligible entity for such purposes.

DHS shall (1) allocate such funds by a formula developed by DHS that takes into consideration the relative populations of each geographic area for which a grant is made; and (2) conduct outreach to inform state, local, and tribal governments and high-risk urban areas that apply for grants under that initiative or program of the availability of funds under this bill.
