## Summary (as of Jan 30, 2019)

---

### Biennial Budgeting and Appropriations Act

This bill requires biennial budget resolutions, appropriations bills, and government strategic and performance plans, instead of the annual budget process required under current law.

The bill specifies that budget biennium is the two consecutive fiscal years beginning on October 1 of any odd-numbered year. The Office of Management and Budget must report to Congress on the impact and feasibility of changing the definition of a fiscal year and the budget process based on that definition to a two-year fiscal period.
