Casa Grande Ruins National Monument Boundary Modification Act of 2019

This bill authorizes the Department of the Interior to acquire specified private or state lands or interests by donation, exchange, or purchase from willing sellers in order to expand the boundaries of the Casa Grande Ruins National Monument in Arizona.

Two parcels of specified federal land, one administered by the Bureau of Indian Affairs (BIA) and one by the Bureau of Land Management, are transferred to the National Park Service (NPS) for inclusion in the monument.

Specified NPS land is transferred to the BIA to be used for the San Carlos Irrigation Project.
