Making Access To Cleanup Happen Act of 2020 or the MATCH Act of 2020

This bill directs the Department of Agriculture (USDA) to (1) identify a list of emergency watershed protection measures the cost of which may be incurred by a state, local government, or Indian tribe prior to entering into an agreement with USDA under the Emergency Watershed Protection Program; and (2) develop procedures, including appropriate deadlines, to be implemented at the state level, through which such entities may request and incur the cost for additional emergency watershed protection measures.
